

Art.Nr.310 1000 / S

Diagram illustrating the assembly of the bidet sprayer, showing the main components and their connection to the water supply system.

Key components and assembly steps indicated by the numbered callouts:

1. Nozzle assembly (flexible hose and spray head).
2. Mounting bracket (L-shaped plate).
3. Base plate (square plate with a central hole).
4. Mounting bracket (L-shaped plate, shown in two positions).
5. Mounting bracket (L-shaped plate, shown in two positions).
6. Mounting bracket (L-shaped plate, shown in two positions).
7. Mounting bracket (L-shaped plate, shown in two positions).
8. Mounting bracket (L-shaped plate, shown in two positions).
9. Mounting bracket (L-shaped plate, shown in two positions).

The diagram also shows the connection of the sprayer to the water supply system, including the hot water (Warmwasser) and cold water (Kaltwasser) lines, and the connection to the bidet seat.
