(DE) **Installationshinweise:** Die Montage und Installation darf nur durch einen konzessionierten Fachbetrieb, gemäß EN 1717 (DIN 1988 Teil 100) erfolgen. Bei der Planung und Einrichtung von Sanitäranlagen sind die entsprechenden örtlichen, nationalen und internationalen Normen und Vorschriften zu beachten. Es gelten die SCHELL "Allgemeinen Installationsbedingungen" unter www.schell.eu.
Pflegehinweise: Zur Reinigung nur milde, seifenhaltige Reinigungsmittel verwenden. **Keine** kratzenden, scheuernden, alkohol-, ammoniak-, salz-, säure-, phosphorsäure- oder essigsäurehaltigen Reinigungs- oder Desinfektionsmittel benutzen. **Keine** Reinigung mit Hochdruck- und Dampfstrahlgeräten!

(NL) **Installatiespecificaties:** De montage en installatie mag alleen gebeuren door een geconcessionneerd vakbedrijf, conform EN 1717 (DIN 1988 deel 100). Bij de planning en inrichting van sanitaire installaties moeten de geldende plaatselijke, nationale en internationale normen en voorschriften in acht worden genomen. De "Algemene installatievoorwaarden" van SCHELL onder www.schell.eu gelden.

Reinigingsinstructies: Gebruik bij het reinigen enkel milde, zeephoudende producten. **Gebruik geen** krassende, schurende, alcohol-, ammoniak-, zoutzuur-, fosforzuur- of azijnzuurhoudende reinigings- of desinfecterende middelen. **Gebruik nooit** hogedruk- of stoomreinigers!

(FR) **Spécifications d'installation:** Le montage et l'installation ne peuvent être effectués que par un spécialiste agréé, conformément à la norme EN 1717 (DIN 1988, partie 100). Les normes et prescriptions locales, nationales et internationales doivent être respectées lors de la planification et de l'aménagement d'installations sanitaires. Les « conditions générales d'installation » reprises à l'adresse www.schell.eu.

Instructions pour le nettoyage: N'utilisez que des produits doux et savonneux pour le nettoyage. **N'utilisez pas** de détergents ou de désinfectants abrasifs ou contenant de l'alcool, de l'ammoniac, de l'acide chlorhydrique, de l'acide phosphorique ou de l'acide acétique. **N'utilisez jamais** de nettoyeurs haute pression ou à vapeur!

(EN) **Installation instructions:** Assembly and installation may only be carried out by a licensed professional company, according to EN 1717 (DIN 1988 Section 100). When planning and setting up sanitary facilities, observe the corresponding local, national and international standards and regulations. The SCHELL "General installation conditions" at www.schell.eu apply.

Maintenance tips: For cleaning, use only mild cleaning products containing soap. **Do not** use any cleaning or disinfecting products that are abrasive or scouring or which contain alcohol, ammonia, hydrochloric acid, phosphoric acid or acetic acid. **Do not** clean with high-pressure or steam jet devices!
